No.A6.C.6023/46-47.(Encl.File.).

To

The Secretary to Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

Subject.- Regarding Employment of Four Conservancy Carts on a monthly hire of Rs 100/- each for the removal of rubbish in the Tarikere Town Municipality

---

Adverting to G O No L 6348-9/R1 7-45-24 dated 7th January 1946, sanctioning the purchase of 3 pairs of Bullocks and three carts at a cost of Rs 1800/- by the Tarikere Town Municipality, for the removal of street rubbish in the said town, I have the honour to state that one pair of bullocks bought for Rs 300/- were stolen and investigation is being done by the Police. The remaining two pairs of bullocks and three carts were sold in public auction on 25-6-46 for a total sum of Rs 1107/-, as resolved by the Municipal Council on 17-6-46. Three pairs of bullocks and three carts had been purchased for Rs 1710/-

2 The Municipal Council, Tarikere, resolved on 17-6-46 that four carts with bullocks belonging to one Gangappa may be engaged from 1-7-46, at a monthly hire of Rs 100/- each. As this contractor failed to do the work, each of the other two contractors, Messrs Ningappa and Shankarappa is reported to be supplying two carts with two pairs of bullocks from 1-7-46. The Municipal Council has approved of the change of contract in favour of these two gentlemen at its meeting held on 3-8-46. The two contractors have executed Mutchalikas on stamped papers binding themselves for the proper discharge of the contract for the year 1946-47 and they have also so far furnished a security of Rs.275/- in monthly instalments. Both the contractors are supplying their own men to drive the carts.

3 During the current year, a sum of Rs 100/- is reported to have been realised by the sale of compost manure at the rate of rupee one per ~~xxxx~~ ton and that there is still a stock of about 600 tons to be disposed of. A sum of Rs 2500/- is provided in the sanctioned Budget of the Municipality for the current year under the Head E (2)(b) 'Hire of Carts'. The balance of Rs 2300/- will be

met

met out of the closing balance of the funds of the Municipality during the current year

4 On enquiry having been made whether it is not possible to procure carts at a lower rate of hire, the Municipal Council have resolved to the following effect -

(1) That the Municipality has incurred loss by maintaining its own bullocks and carts previous to the contract system

(2) Only the present contractors have applied for the work

(3) The rate of Rs 100/- per cart per month is reasonable when compared with the present cost of maintaining the bullocks

(4) Action would be taken to minimise the expenditure under this head- next year

5 It is ascertained that in Kadur and other Municipalities where the rate of hire is less, the contractors will supply only carts with bullock and the driver and the persons who deposit the rubbish in the carts are paid by the Municipality But in the Tarikere Municipality, the contractor supplies one man to drive the cart The rate of Rs 100/- per mancum per cart is therefore reasonable

6. In the above circumstances, I request that sanction of Government may be kindly obtained for the entertainment of four carts for conservancy purposes at a monthly hire of Rs 100/- each The records are enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kadur District
